## **Our School**

Linton School is an independent special school for young people with social, emotional and mental health difficulties for both boys and girls aged 8-18 years old. The school is registered for up to 12 learners and consists of 4 small classes to provide a nurturing environment to develop and progress throughout their learning journey. We are a trauma informed school that is able to support children and teenagers who suffer with trauma or mental health problems and whose troubled behaviour acts as a barrier to learning. Located in rural Preston we therefore benefit from some amazing outdoor space where we develop our outdoor, equestrian and horticulture skills. All the staff at Linton School are committed to creating a setting which not only focuses on academic success, but also provides our learners opportunities to develop their social, communication and independent skills.

## **Culture and Ethos**

We are committed to providing a nurturing, safe and ambitious learning environment that supports every young person to achieve lifelong skills through a diverse learner centered curriculum. Respectful and supportive relationships are at the heart of all we do; we value every member of the school community equally. Through bespoke curriculums tailored towards each individual pupil's needs, experiences, interests and strengths we foster a love for learning and support our young people to achieve their full potential. As an educational setting our main aim is to prepare our pupils to make a positive contribution towards society by giving our students the skills they need to be successful, resilient and inspirational young adults. Linton schools purpose is to improve the quality of life for our young people both now, and in the future, 'building our futures together'.

## **The Vision**

Linton School provides a safe, nurturing learning environment to provide skills for lifelong opportunities, which gives the young people an ambitious outlook towards their future.

The vision drives everything we do and will be achieved through:

- Outdoor enrichment activities to promote life skills through play, nurture and teamwork.
- Promoting independence, patience and listening skills through Equestrian lessons.
- Multi-disciplinary links from both internal and external companies to provide a bespoke, broad and balanced curriculum that develops the education of our pupils.
- Empowering each learner to achieve their personal goals and develop a lifelong love of learning.
- A positive and ambitious school environment that promotes learning for all.
- Offering a broad range of learning experiences within the curriculum that values academic attainment as well as developing social skills, experiences and resilience.

**More information about the school can be found in the school Prospectus.**

## 1. Aims

The aims of relationships and sex education (RSE) at our school are to:

- Provide a framework in which sensitive discussions can take place
- Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- Help pupils develop feelings of self-respect, confidence and empathy
- Create a positive culture around issues of sexuality and relationships
- Teach pupils the correct vocabulary to describe themselves and their bodies

## 2. Statutory requirements

As an independent school, we chose provide relationships education to all pupils under section 34 of the [Children and Social Work Act 2017](#).

We are not required to provide sex education, but we do need to teach the elements of sex education contained in the science curriculum.

In teaching RSE, we will have regard to [guidance](#) issued by the secretary of state, as outlined in section 403 of the [Education Act 1996](#).

We will also have regard to our legal duties set out in:

- Sections 406 and 407 of the Education Act 1996
- Part 6, chapter 1 of the [Equality Act 2010](#)
- The Public Sector Equality Duty (as set out in section 149 of the Equality Act 2010). This duty requires public bodies to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations between different people when carrying out their activities

At Linton School, we teach RSE as set out in this policy.

## 3. Definition

- RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.
- RSE involves a combination of sharing information, and exploring issues and values.
- RSE is not about the promotion of sexual activity.

## 4. Curriculum

We have developed the curriculum in consultation with stakeholders including; parents, carers, pupils and staff, and taking into account the age, developmental stage, needs and feelings of our pupils. If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so that pupils are fully informed and don't seek answers online.

Primary sex education is not compulsory in primary schools – Linton School will determine whether we need to cover any additional content on sex education to meet the needs of your pupils annually and linked to pupils needs. If Linton School decides to cover this, then primary sex education will focus on:

- Preparing boys and girls for the changes that adolescence brings
- How a baby is conceived and born

RSE is taught within the personal, social, health and economic (PSHE) education curriculum. Biological aspects of RSE are taught within the science curriculum, and other aspects are included in religious education (RE).

For primary school aged children relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

For secondary school aged RSE focuses on giving young people the information they need to help them develop healthy, nurturing relationships of all kinds including:

- Families
- Respectful relationships, including friendships
- Online and media
- Being safe
- Intimate and sexual relationships, including sexual health

These areas of learning are taught within the context of family life, taking care to make sure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents and foster parents/carers, amongst other structures), along with reflecting sensitively that some children may have a different structure of support around them (for example, looked-after children or young carers).

We will also be mindful of the law and legal requirements, taking care not to condone or encourage illegal political activity, such as violent action against people, criminal damage to property, hate crime, terrorism or the illegal use of drugs.

### 4.1 Inclusivity

We will teach about these topics in a manner that:

- Considers how a diverse range of pupils will relate to them
- Is sensitive to all pupils' experiences
- During lessons, makes pupils feel:

- Safe and supported
- Able to engage with the key messages

We will also:

Make sure that pupils learn about these topics in an environment that's appropriate for them, for example in:

- A whole-class setting
- Small groups or targeted sessions
- 1-to-1 discussions
- Digital formats
- Give careful consideration to the level of differentiation needed

## **4.2 Use of resources**

We will consider whether any resources we plan to use:

- Are aligned with the teaching requirements set out in the statutory RSE guidance
- Would support pupils in applying their knowledge in different contexts and settings
- Are age-appropriate, given the age, developmental stage and background of our pupils
- Are evidence-based and contain robust facts and statistics
- Fit into our curriculum plan
- Are from credible sources
- Are compatible with effective teaching approaches
- Are sensitive to pupils' experiences and won't provoke distress

## 5. Use of external organisations and materials

We will make sure that an agency and any materials used are appropriate and in line with our legal duties around political impartiality.

The school remains responsible for what is said to pupils. This includes making sure that any speakers, tools and resources used don't undermine the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

### We will:

- Make appropriate checks and engage with external agencies to make sure that their approach to teaching about RSE is balanced, and it and the resources they intend to use:
  - Are age-appropriate
  - Are in line with pupils' developmental stage
  - Comply with:
    - This policy
    - The [Teachers' Standards](#)
    - The [Equality Act 2010](#)
    - The [Human Rights Act 1998](#)
    - The [Education Act 1996](#)
- Only work with external agencies where we have full confidence in the agency, its approach and the resources it uses
- Make sure that any speakers and resources meet the intended outcome of the relevant part of the curriculum
- Review any case study materials and look for feedback from other people the agency has worked with
- Be clear on:
  - What they're going to say
  - Their position on the issues to be discussed
- Ask to see in advance any materials that the agency may use
- Know the named individuals who will be there, and follow our usual safeguarding procedures for these people
- Conduct a basic online search and address anything that may be of concern to us, or to parents and carers
- Check the agency's protocol for taking pictures or using any personal data they might get from a session
- Remind teachers that they can say "no" or, in extreme cases, stop a session
- Make sure that the teacher is in the room during any sessions with external speakers

### We **won't**, under any circumstances:

- Work with external agencies that take or promote extreme political positions
- Use materials produced by such agencies, even if the material itself is not extreme

## **6. Roles and responsibilities**

### **6.1 The governing board**

The governing board will approve the RSE policy, and hold the Head Teacher to account for its implementation.

The governing board will hold the headteacher to account for the implementation of this policy. The governing board has delegated the approval of this policy to Declan Tuer – Regional Lead.
