Our School

Linton School is an independent special school for young people with Social, Emotional and Mental Health (SEMH) difficulties for both boys and girls aged 8-18 years old. The school is registered for up to 12 learners and consists of 4 small classes to provide a nurturing environment to develop and progress throughout their learning journey. We are a trauma informed school that is able to support children and young people who suffer with trauma or mental health problems and whose troubled behaviour acts as a barrier to learning. Located in rural Preston we therefore benefit from some amazing outdoor space where we develop our outdoor, equestrian and horticulture skills. All the staff at Linton School are committed to creating a setting which not only focuses on academic success, but also provides our learners opportunities to develop their social, communication and independent skills.

Culture and Ethos

We are committed to providing a nurturing, safe and ambitious learning environment that supports every young person to achieve lifelong skills through a diverse learner centred curriculum. Respectful and supportive relationships are at the heart of all we do; we value every member of the school community equally. Through bespoke curriculums tailored towards each individual pupil's needs, experiences, interests and strengths we foster a love for learning and support our young people to achieve their full potential. As an educational setting our main aim is to prepare our pupils to make a positive contribution towards society by giving our students the skills they need to be successful, resilient and inspirational young adults. Linton schools purpose is to improve the quality of life for our young people both now, and in the future by, 'building our futures together'.

The Vision

Linton School provides a safe, nurturing learning environment to provide skills for lifelong opportunities, which gives the young people an ambitious outlook towards their future.

The vision drives everything we do and will be achieved through:

- Outdoor enrichment activities to promote life skills through play, nurture and teamwork.
- Promoting independence, patience and listening skills through Equestrian lessons.
- Multi-disciplinary links from both internal and external companies to provide a bespoke, broad and balanced curriculum that develops the education of our pupils.
- Empowering each learner to achieve their personal goals and develop a lifelong love of learning.
- A positive and ambitious school environment that promotes learning for all.
- Offering a broad range of learning experiences within the curriculum that values academic attainment as well as developing social skills, experiences and resilience.

More information about the school can be found in the school Prospectus.

3. Introduction

Within Linton School, we aim to produce a safe and secure environment based upon nurturing each other, mutual respect and understanding where all can thrive. We aim to provide a safe and happy environment with a high quality of care to all of our school community.

In order to achieve this:

1. We will nurture the emotional development of all members of the school community and promote mutual respect and responsibility.
2. We will provide effective teaching and encouraging the highest achievement for each child.
3. We will value the contribution each child makes to the life of the school and take account of individual's needs.
4. We will promote an ethos of excellence and endeavour for all, in a caring setting.
5. To create an ethos of good behaviour in school in order to promote effective learning. This will ensure that children are happy, secure and safe.
6. To build a school community which upholds and demonstrates positive values and has links between home and school.
7. To promote good relationships and to ensure that all are treated fairly and shown respect.
8. To foster a sense of community and self-discipline within the school where children and adults treat each other with respect and courtesy; and to encourage children to carry these skills and values with them beyond the school family.
9. To help children lead disciplined lives and to understand that good citizenship is based upon good behaviour, reflecting the principles of British Values upheld by the school (Democracy, Rule of Law, Liberty, Mutual Respect and Tolerance of those of different faiths and beliefs – please see 'Promoting British Values').
10. To provide a lively, safe and stimulating learning environment enabling all children to grow in independence and confidence; and manage their own behaviour.
11. To ensure educational continuity through liaison with local educational settings and other CareTech group schools.
12. To encourage our children to take risks, aim high and challenge themselves to see the word 'fail' as their 'first attempt in learning'. We trust our children and they know that with this comes responsibility for themselves and each other.

Statement of Behaviour Principles

Good behaviour is central to all we do at Linton School. Children flourish best within an orderly, supportive environment where they feel secure and where their individual needs are respected. High standards of behaviour will be expected and promoted at all times in lessons and throughout every aspect of the school's life. All members of staff will set high standards and children will be given clear guidance on what is expected of them, in accordance with the school's ethos and values. The school's expectations and values will be shared with children in each class and with parents / carers as appropriate. We will work in partnership with parents / carers to ensure that the school's values become central to the lives of our children.

Key Premise of our Approach

- We believe being 'fair' is not about everyone getting the same (equality) but about everyone getting what they need (equity).
- We know that behaviour is a form of communication and the change in terminology in the 2014 Code of Practice of Special Educational Needs (SEN) - which replaces the Behaviour, Emotional and Social Difficulties (BESD) with Social, Emotional, and Mental Health (SEMH) difficulties - helps us to understand behaviour as a communication of an emotional need (whether conscious or unconscious), and respond accordingly.
- We operate a non-judgmental, curious and empathic attitude towards behaviour. We encourage all adults in schools to respond in a way that focuses on the feelings and emotions that might drive certain behaviour, rather than the behaviour itself. We regard children with behavioural difficulties as vulnerable rather than troublesome, and we all have a duty to explore this vulnerability and provide appropriate support; "Thinking of a child as behaving badly disposes you to think of punishment.

Thinking of a child as struggling to handle something difficult encourages you to help them through their distress.”

- We put relationships first. We promote strong relationships between staff, children and their parents/carers and foster a culture and climate of connection, inclusion, respect and value for all members of the school community.
- We maintain clear boundaries and expectations around behaviour. Changing how we respond to behaviour does not mean that we have no expectations, routines or structure. In order to help a child or young person feel safe their educational environment needs to be high in both nurture and structure. Children need predictable routines, expectations and consistent responses to behaviour. These are modelled appropriately, within the context of a safe and caring school environment.

5. Bullying and Cyber-Bullying

Bullying definition

Bullying is hurtful, unkind or threatening behaviour which is deliberate and repeated.

Bullying can be carried out by an individual or a group of people towards another individual or group, where the bully or bullies hold more power than those being bullied. If bullying is allowed it harms the perpetrator, the target and the whole school community. The Vision and Values of the school should lead to a diminishing of any such behaviour.

The Anti-Bullying Alliance defines bullying as: “The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power” (2015). It can happen face-to-face or through cyberspace (on-line, via social media or texting).

We make reference to the acronym below to help children understand that bullying is hurtful behaviour that happens:

- **S**everal
- **T**imes
- **O**n
- **P**urpose

The nature of bullying can be:

- Physical (e.g. hitting, kicking, pushing or inappropriate/unwanted physical contact)
- Verbal (e.g. name calling, ridicule, comments)
- Cyber (e.g. messaging, social media, email)
- Emotional/indirect/segregation (e.g. excluding someone, spreading rumours)
- Visual/written (e.g. graffiti, gesture, wearing racist insignia)
- Damage to personal property
- Threat with a weapon
- Theft or extortion
- Persistent bullying

Bullying could be based on many things, including:

- Race
- Religion or belief
- Special Educational Needs or disability
- Culture or class
- Appearance or health conditions
- Sexual orientation or Gender identity (homophobic, biphobic, transphobic)
- Gender
- Related to home or other personal circumstances

Responding to bullying

1. Staff will record the bullying incident centrally on Behaviour Watch.
2. The Head Teacher, Rebekah Dennett will monitor incident reporting on Behaviour Watch.

3. If an incident does occur the designated school staff will produce a report summarising the information which the Head Teacher will report to the Regional Lead/Proprietor Representative.
4. Support will be offered to the victim of the bullying from staff within the school setting.
5. Staff will proactively respond to the bully who may require support from the Occupational Therapists, Speech and Language Therapists or the Counsellor.
6. Staff will assess whether parents and carers need to be involved.
7. Staff will assess whether any other authorities (such as police or local authority) need to be involved, particularly when actions take place outside of school.

Bullying outside of school

Within Linton Schools' provision we do not tolerate injustice and bullying whether it takes place inside or outside of school. The nature of cyber bullying in particular means that it can impact on pupils beyond the school day. Staff, parents, carers, and pupils must be vigilant to bullying outside of school and report and respond according to their responsibilities outlined in this policy.

The school is active in addressing responsible and respectful use of social media. The school is active in supporting parents and carers to take responsibility for their child's respectful use of social media especially in such a fast changing environment. Staff will assess whether any other authorities (such as police or local authority) need to be involved.

Cyber-Bullying Definition

Cyber-bullying takes place online, such as through social networking sites, messaging apps or gaming sites. Like other forms of bullying, it is the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Preventing and addressing cyber-bullying

To help prevent cyber-bullying, we will ensure that pupils understand what it is and what to do if they become aware of it happening to them or others. We will ensure that pupils know how they can report any incidents and are encouraged to do so, including where they are a witness rather than the victim.

The school will actively discuss cyber-bullying with pupils, explaining the reasons why it occurs, the forms it may take and what the consequences can be. Form Tutors will discuss cyber-bullying with their tutor groups.

Teaching staff are also encouraged to find opportunities to use aspects of the curriculum to cover cyber-bullying. This includes Personal, Social, Health and Economic (PSHE) education, and other subjects where appropriate.

All staff, Regional Lead/Proprietor Representative and volunteers (where appropriate) receive training on Cyber-Bullying, its impact and ways to support pupils, as part of safeguarding training.

In relation to a specific incident of Cyber-Bullying, the school will follow the processes set out in the school Behaviour Policy. Where illegal, inappropriate or harmful material has been spread among pupils, the school will use all reasonable endeavours to ensure the incident is contained.

The DSL will consider whether the incident should be reported to the police if it involves illegal material, and will work with external services if it is deemed necessary to do so.

School's strategies to prevent and tackle bullying

We use a range of measures to prevent and tackle bullying including:

- Our school vision is at the heart of everything we do and ensures that all members of the school community are revered and respected as members of a community.
- We use a pupil-friendly information to ensure that all pupils understand the what bullying is and know how to report bullying.
- The whole school curriculum is used to highlight and explore the anti-bullying commitment of the school. There are more extensive opportunities to explore anti-bullying themes within the PSHE

programme of study which includes opportunities for pupils to understand about different types of bullying and what they can do to respond and prevent bullying.

- Bespoke curriculums explore the importance of inclusivity, dignity and respect as well as other themes that play a part in challenging bullying.
- Through a variety of planned activities and time across the curriculum pupils are given the opportunity to gain self-confidence and develop strategies to speak up for themselves and express their own thoughts and opinions.
- Circle time provides regular opportunities to discuss issues that may arise in class and for teachers to target specific interventions.
- Stereotypes are challenged by staff and pupils across the school.
- Restorative justice systems provide support to victims of bullying and those who show bullying behaviour.
- Pupils are continually involved in developing school-wide anti-bullying initiatives through consultation with the school council.
- Working with parents and carers, and in partnership with community organisations to tackle bullying where appropriate.

Please see Linton School's Anti-Bullying, Behaviour and Online Safety policy for more details.

- Pupils are allowed mobile phones/devices for transport purposes only, and only those pupils who are arriving in Local Authority provided transport.
- All pupils arriving to school in transport provided by Linton School should not have mobile phones or devices, these should be left at home.
- When a mobile phone/device is needed to be brought into school the parents or carers should inform the school teaching staff as soon as possible.
- Where a parent or carer suspects that a child or young person has a phone on them then this should be reported to school teaching staff as soon as possible.
- Any mobiles phones/devices being brought on to school property should be handed into the school office at the start of the day and should be collected as that person is leaving school to access their transport home.
- In cases, where a mobile phone/device causes an issue to the learning or welfare of students then this device will be confiscated. On the first occasion this device will be returned to the student at the end of that day. From the second occasion onwards the parent/carers would need to collect that device from the school office.
- For persistent violations of the school rules regarding mobile phones/devices then a weeks ban will be placed and the school would require parent/carers support to enforce this.

8. Responding to Behaviour

Promoting positive behavior

Children and young people cannot do well unless good standards of behaviour are introduced and maintained. Opportunities for promoting positive behaviour strategies include:

- Whole school and during lessons - where children are educated about social situations, recognising and identifying emotions and discussions which are applied to our everyday lives and to our relationships with one another.
- PSHE opportunities throughout the curriculum, including themes on citizenship, friendship, anti-social behaviour, bullying, British Values etc.
- Form time and assemblies, where children learn social skills and ways of communicating their thoughts and feelings in a positive, safe and nurturing environment.
- School Council – who support and help other children across school e.g. promoting fair and fun play on the school yard, helping younger children with routines, operating as ambassadors of exemplary behaviour within the school family.
- Outside speakers such as the school nurse, the PCSO, the Fire Brigade and members of the community.

As a trauma /ACE informed school all staff will look for indicators of Social, Emotional and Mental Health needs by including pupils who are displaying observable and active, 'acting out' behaviours (e.g. those who are noncompliant, show mood swings, verbal and physical aggression, those who abscond, who lack empathy or personal boundaries) and those who display more passive behaviours (e.g. those who present as withdrawn, isolated, disengaged and/or distracted, who avoid risks, who appear very anxious, who refuse to accept praise, are reluctant to speak). No staff will view or label a pupil whose behaviour is externalized. Staff will see all behaviour as a form of communication, an indicator of emotions and will respond in an empathic and understanding manner. All staff recognise that early intervention is imperative for addressing both active and passive behaviours, to ensure that low level behaviors can be addressed early.

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the behaviour curriculum or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - ✓ Greeting pupils in the morning/at the start of lessons
 - ✓ Establishing clear routines
 - ✓ Communicating expectations of behaviour in ways other than verbally
 - ✓ Highlighting and promoting good behaviour
 - ✓ Concluding the day positively and starting the next day afresh
 - ✓ Having a plan for dealing with low-level disruption
 - ✓ Using positive reinforcement

8.2 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please see Linton School's Safeguarding and Child Protection policy for further information.

8.3 Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

Positive behaviour will be rewarded with:

- Verbal praise
- Additional Class Dojo points
- End of week rewards which look at the week as a whole by calculating the total amount of points earned
- Communicating praise to parents/carers via a phone call or written correspondence
- Certificates, prize ceremonies or special assemblies
- Whole-class or year group rewards, such as a popular activity

At all times we are positive about our children.

Rewards

As a whole school approach we are aware that children communicate through behaviour. We have high expectations of all our children in terms of both achievement and behaviour and we actively look for the small improvements in behaviour, the little things that can be rewarded in order to raise self-esteem and confidence. We use positive language to reinforce expectations and give positive praise regularly.

Children will be set an individual target for the week and can work with the class teachers and staff, where possible, to choose their rewards and therefore are working towards something meaningful to them. Rewards can be an external lunch, a trip to the park, an ice-cream, off-site horse riding, a cinema or trampoline park trip. Children can also choose to save their rewards and roll them over for a bigger reward.

Class Dojo

These are points that are awarded individually, in groups or as a class on the interactive Class Dojo's reward system, these points are collected over the week and will be discussed daily and celebrated weekly and termly. Any member of staff can give Class Dojo points at any time to any child in school.

Once awarded a Dojo cannot be deducted however, during each session of the school day including transport, lesson, breaks, lunches and assemblies etc. the children and young people can earn positive and negative points.

Positive Class Dojo points can be awarded for the following:

1. Arriving to school/lesson on time
2. Completing work

3. Independent learning
4. Individual target – this is bespoke for each young person and displayed in their class
5. Break time
6. Positive behavior
7. Reading
8. Team work
9. Transport
10. Extra points

Negative Class Dojo points can be awarded for the following:

1. Arriving late to school or lesson
2. Being disrespectful to others
3. Negative behavior
4. Not completing reading
5. Not completing work
6. Not following instructions
7. Not meeting individual target
8. Not working as part of a team
9. Issues at break time
10. Swearing
11. Transport issues

These points linked in with our Friday rewards and all children and/or young people must achieve over 90% to achieve their award. At the discretion of the Head Teacher/Form Tutor this percentage may be changed to meet the needs of all pupils.

Parents, carers, children and young people can have access to Class Dojo and the points system can be accessed by the latter at any time; providing up to date information for the relevant parties.

Inputting Class Dojo Points

Each class teacher will work out a system for adding the Class Dojo's onto the interactive system this could be:

- class teachers updating them on to the system at the end of every lesson;
- class teachers updating them on to the system during breaks and lunch times or;
- class teachers updating them on to the system at the end of the day.

Class Dojo for parents / carers

Parents and carers can have access to Class Dojo and the school encourages them to do so. Staff put regular updates on Class Dojo and parents and carers can keep up to date with what their child(ren) have been doing at school.

If you require Class Dojo log in details please speak to your child's form tutor and this can be provided.

8.4 Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques can be used to help prevent further behaviour issues arising, such as the use of pre-arranged scripts and phrases.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour consequences, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

Consequences

If a child displays a negative, unacceptable behaviour then their name or initials will be written on a whiteboard that is clearly visible. This is their 1st warning. If the behaviour continues they may be asked to vacate the classroom to have some time to regulate their behaviour. On occasions where the behaviours are escalating quickly others may be asked to vacate the classroom to provide a quieter environment to support the child/young person who is struggling. It is at the class teacher's discretion whether or not 'negative' Class Dojo points will be added and each child or young person will be considered as an individual.

Every day is a fresh start.

Every new lesson is a fresh start.

Low level disruptions include:

- Talking during lessons times and teaching input times
- Not listening
- Making unnecessary noise
- Trying to distract others
- Answering back/showing disrespect

All incidents of negative behaviour will be treated on an individual basis.

More serious behaviours include:

- Hurting a child or adult
- Aggressive behaviour towards a child or adult
- Refusal to comply with an instruction that then results in either of the above bullet points
- Damage to property.

The school may use 1 or more of the following sanctions in response to unacceptable behaviour:

- Asking the pupil to take some time out of the class
- A verbal reprimand and reminder of the expectations of behaviour
- Setting of written tasks such as an account of their behaviour
- Expecting work to be completed at home, or at break or lunchtime
- Loss of privileges – for instance, the loss of a rewards activity on Friday afternoons
- Off-site ban if the behaviour displayed increases the risk of taking that pupil off-site
- School-based community service, such as tidying a classroom
- Referring the pupil to a senior member of staff
- Letter or phone call home to parents/carers
- Agreeing a behaviour contract
- Removal of the pupil from the classroom
- Suspension
- Permanent exclusion, in the most serious of circumstances

Personal circumstances of the pupil will be taken into account when choosing sanctions and decisions will be made on a case-by-case basis, but with regard to the impact on perceived fairness.

Consequences must be applied consistently by all staff, but with the provision for flexibility to take account of individual circumstances and need.

Any major incident, act of violence, bullying incident can lead immediately to the most severe sanctions/ actions including short term fixed and permanent exclusion/s may also be used at this stage and will be dealt with by the Head Teacher.

Behaviour will be logged on Behaviour Watch and will be regularly monitored by the Head Teacher, DSL's and SLT and shared with parents / carers and external agencies when appropriate and/or necessary.

Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's Special Educational Needs Co-ordinator (SENCo) will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met. Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.5 Reasonable force

This section refers and quotes directly from the document: Use of Reasonable Force Guidance – 2013: <https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

The use of physical force by teachers and others authorised by the Head Teacher to control or restrain pupils is sanctioned by section 93 of the Education and Inspections Act 2006 and was further clarified in the document above.

The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with pupils. Force is usually used either to control or restrain. This can range from guiding a pupil to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury. 'Reasonable in the circumstances' means using no more force than is needed.

Teachers can use 'reasonable force' to:

- Remove disruptive children from the classroom where they have refused to follow an instruction to do so
- Prevent a pupil behaving in a way that disrupts a school event or a school trip or visit
- Prevent a pupil leaving the classroom / site where allowing the pupil to leave would risk their safety or lead to behaviour that disrupts the behaviour of others
- Prevent a pupil from attacking a member of staff or another pupil, or to stop a fight
- Restrain a pupil at risk of harming themselves through physical outbursts

Schools cannot:

- Use force as a punishment – it is always unlawful to use force as a punishment

Before intervening physically a teacher/teaching assistant should tell the pupil who is misbehaving to stop and explain the consequence of what will happen if he/she does not stop. The teacher/teaching assistant should continue attempting to communicate with the pupil throughout the incident, and should make it clear that physical contact or restraint will stop as soon as it ceases to be necessary. A calm and measured approach to the situation is needed and a teacher/teaching assistant should never give the impression that they have lost their temper, or are acting out of anger or frustration to punish the pupil. It is advisable for a teacher/teaching assistant to summon help from another adult. The pupil should be informed that help has been sought.

Physical intervention can take several forms. It might involve:

- Physical interposing between pupils
- Blocking a pupil's path
- Holding
- Escorting a pupil by the hand or arm

Telling parents/carers when force has been used on their child

1. It is good practice for schools to speak to parents about serious incidents involving the use of force and to consider how best to record such serious incidents. It is up to schools to decide whether it is appropriate to report the use of force to parents.
2. In deciding what is a serious incident, teachers should use their professional judgement and consider the:
 - pupil's behaviour and level of risk presented at the time of the incident;
 - degree of force used;
 - effect on the pupil or member of staff; and
 - the child's age
3. At Linton School we will record the incidents on Behaviour Watch on the same day the incident took place.
4. Parents, carers and external agencies (where appropriate) will be told within 24 hours of the incident occurring where the school deem it appropriate to do so.
5. Staff will have weekly meetings in class where the incidents recorded that week will be discussed and staff will be debriefed to ensure that good practice is identified and support can be offered to both staff and pupils to reduce the incidents.
6. Children and young people will be debriefed verbally after every incident by a member of staff that was not involved in the incident and this will be recorded on Behaviour Watch.
7. Parents / carers can request copies of the Behaviour Watch reports by emailing the Head Teacher and these reports will be provided if it is safe and reasonable to do so.
8. Any complaints from young people, parents, carers or external agencies should go via the Head Teacher and these will be internally investigated and all the relevant parties will be informed of the outcome.

See Linton School's Complaints Policy for further details.

What about other physical contact with pupils?

It is not illegal to touch a pupil. There are occasions when physical contact, other than reasonable force, with a pupil is proper and necessary. Examples of where touching a pupil might be proper or necessary:

- Holding the hand of the child
- When comforting a distressed pupil;
- When a pupil is being congratulated or praised;
- To demonstrate how to use a piece of equipment;
- To demonstrate exercises or techniques during PE lessons or sports coaching; and
- To give first aid.

8.6 Confiscation, screening and searching

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

Confiscation

Any prohibited items found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the Head Teacher, or by the Head Teacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; and
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; or
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff

When an authorised member of staff conducts a search without a witness, they should immediately report this to another member of staff, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but is not required urgently, they will seek the advice of the Head Teacher, Designated Safeguarding Lead (DSL or deputy DDSL) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. Where possible, this will be away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search
- Assess whether not doing the search would put other pupils or staff at risk
- Consider whether the search would pose a safeguarding risk to the pupil
- Explain to the pupil why they are being searched
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”
- Explain how and where the search will be carried out
- Give the pupil the opportunity to ask questions
- Seek the pupil’s co-operation

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction.

If they still refuse to co-operate, the member of staff will contact the Designated Safeguard Lead or Deputy Designated Safeguard Lead, to try to determine why the pupil is refusing to comply.

The authorised member of staff will then decide whether to use reasonable force to search the pupil. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items, but not to search for items that are only identified in the school rules.

The authorised member of staff may use a metal detector to assist with the search.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket being worn over a t-shirt)
- Hats, scarves, gloves, shoes or boots

Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Desks
- Lockers
- Bags

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

Informing the Designated Safeguarding Lead (DSL)

The staff member who carried out the search should inform the DSL without delay:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item
- If they believe that a search has revealed a safeguarding risk

All searches for prohibited items, including incidents where no items were found, will be recorded in the school's safeguarding system.

Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item. A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened
- What was found, if anything
- What has been confiscated, if anything
- What action the school has taken, including any sanctions that have been applied to their child

Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the Designated Safeguarding Lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Strip searches

The authorised member of staff's power to search outlined above does not enable them to conduct a strip search (removing more than the outer clothing) and strip searches on school premises shall only be carried out by police officers in accordance with the Police and Criminal Evidence Act 1984 (PACE) Code C.

Before calling the police into school, staff will assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item.

Staff will consider whether introducing the potential for a strip search through police involvement is absolutely necessary, and will always ensure that other appropriate, less invasive approaches have been exhausted first.

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them. The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should advocate for pupil wellbeing at all times.

Communication and record-keeping

Where reasonably possible and unless there is an immediate risk of harm, before the strip search or search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them of the search, and ask them if they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of staff can act as the appropriate adult (see below for information about the role of the appropriate adult).

The pupil's parents/carers will always be informed by a staff member once a search has taken place. The school will keep records of searches that have been conducted on school premises, and monitor them for any trends that emerge.

Who will be present

For any strip search that involves exposure of intimate body parts or any other searches, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, **and**
- The appropriate adult agrees

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult.

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil
- Not be a police officer or otherwise associated with the police
- Not be the headteacher
- Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex

Except for an appropriate adult of a different sex if the pupil specifically requests it, no one of a different sex will be permitted to be present and the search will not be carried out anywhere where the pupil could be seen by anyone else.

Care after a strip search or search

After any strip search or search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search or search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the Designated Safeguarding Lead (DSL). The DSL will consider if, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched or searched more than once and/or groups of pupils who may be more likely to be subject to strip searching or searching will be given particular consideration, and staff will consider any preventative approaches that can be taken.

8.7 Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member (e.g. on a school-organised trip).

8.8 Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil
- It could have repercussions for the orderly running of the school
- It adversely affects the reputation of the school
- The pupil is identifiable as a member of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of a staff member.

8.9 Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the Head Teacher / Senior Leader Team will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

8.10 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - ✓ Manage the incident internally
 - ✓ Refer to early help
 - ✓ Refer to children's social care
 - ✓ Report to the police

Please refer to our Child Protection and Safeguarding policy for more information.

8.11 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the Local Authority Designated Officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our Child Protection and Safeguarding policy for more information.

9. Exclusions

The Head Teacher has the duty to maintain discipline and good conduct to secure an orderly learning environment. In furtherance of this, the Head Teacher has the right to exclude children from school at her own discretion, either temporarily or permanently.

1. Only the Head Teacher of a school can exclude a pupil and this must be on disciplinary grounds. A pupil may be excluded for one or more fixed periods (up to a maximum of 45 school days in a single academic year), or permanently. A fixed-period exclusion does not have to be for a continuous period.
2. A fixed-period exclusion can also be for parts of the school day. For example, if a pupil's behaviour at lunchtime is disruptive, they may be excluded from the school premises for the duration of the lunchtime period. The legal requirements relating to exclusion, such as the Head Teacher's duty to notify parents / carers, apply in all cases. Lunchtime exclusions are counted as half a school day for statistical purposes and in determining whether a meeting is triggered with the Regional Lead/Proprietor Representative.
3. The law does not allow for extending a fixed-period exclusion or 'converting' a fixed-period exclusion into a permanent exclusion. In exceptional cases, usually where further evidence has come to light, a further fixed-period exclusion may be issued to begin immediately after the first period ends; or a permanent exclusion may be issued to begin immediately after the end of the fixed period.
4. The behaviour of a pupil outside school can be considered grounds for an exclusion.
5. The Head Teacher may withdraw an exclusion that has not been reviewed by the Regional Lead/Proprietor Representative.
6. Any decision of the school, including exclusion, must be made in line with the principles of administrative law, i.e. that it is: lawful (with respect to the legislation relating directly to exclusions and a school's wider legal duties, including the European Convention on Human Rights and the Equality Act 2010); rational; reasonable; fair; and proportionate.
7. The Head Teacher must take account of their legal duty of care when sending a pupil home following an exclusion.
8. When establishing the facts in relation to an exclusion decision the Head Teacher must apply the civil standard of proof; i.e. 'on the balance of probabilities' it is more likely than not that a fact is true, rather than the criminal standard of 'beyond reasonable doubt.' This means that the Head Teacher should accept that something happened if it is more likely that it happened than that it did not happen.
9. Under the Equality Act 2010 (the Equality Act), schools must not discriminate against, harass or victimise pupils because of: sex; race; disability; religion or belief; sexual orientation; pregnancy/maternity; or gender reassignment. For disabled children, this includes a duty to make reasonable adjustments to policies and practices and the provision of auxiliary aids.
10. In carrying out their functions, the public sector equality duty means schools must also have due regard to the need to:
 - eliminate discrimination, harassment, victimisation, and other conduct that is prohibited by the Equality Act;
 - advance equality of opportunity between people who share a protected characteristic and people who do not; and
 - foster good relations between people who share a protected characteristic and people who do not share it.
11. These duties need to be complied with when deciding whether to exclude a pupil. Linton School must also ensure that its policies and practices do not discriminate against pupils by unfairly increasing their risk of exclusion. Provisions within the Equality Act allow schools to take positive action to deal with particular disadvantages, needs, or low participation affecting one group, where this can be shown to be a proportionate way of dealing with such issues.

12. The Head Teacher and the Regional Lead/Proprietor Representative must comply with their statutory duties in relation to additional learning needs when administering the exclusion process. This includes having regard to the SEND Code of Practice.
13. It is unlawful to exclude for a non-disciplinary reason. For example, it would be unlawful to exclude a pupil simply because they have additional needs or a disability that the school feels it is unable to meet, or for a reason such as: academic attainment/ability; the action of a pupil's parents; or the failure of a pupil to meet specific conditions before they are reinstated, such as to attend a reintegration meeting. However, a pupil who repeatedly disobeys their teachers' academic instructions could, be subject to exclusion.
14. 'Informal' or 'unofficial' exclusions, such as sending a pupil home 'to cool off', are unlawful, regardless of whether they occur with the agreement of parents or carers. Any exclusion of a pupil, even for short periods of time, must be formally recorded.
15. The threat of exclusion must never be used to influence parents / carers to remove their child from the school.

Refer to <https://www.gov.uk/government/publications/school-exclusion>

10. Pupil Transitions

10.1 Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

10.2 Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

11. Training

Staff will receive training for managing behaviours and will undergo a rigorous induction programme that identifies the schools vision and ethos and how we work as a community to set high standards for behaviours. To meet the needs of all our children staff may also be trained on specific areas to help overcome barriers and support the children to the best of their abilities.

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The proper use of restraint – Team Teach
- The needs of the pupils at the school
- How SEND and mental health needs can impact behaviour
- Behaviour management will also form part of continuing professional development.

12. Monitoring arrangements

This policy will be reviewed **annually** by Rebekah Dennett (Head Teacher). At every review, it will be approved by the Regional Lead/Proprietor Representative. **Next review September 2024.**
